Your first WooCommerce discovery call

A working checklist for your team. Review together and capture decisions as you go.

Prepare

- ☐ Review the client's goals and existing website.
- ☐ Identify stakeholders, constraints, and dependencies.
- ☐ Prepare questions about priorities and success.

Discuss

- ☐ Agree on the audience, scope, and timeline.
- ☐ Map where WooCommerce fits the project.
- ☐ Capture open questions and who will answer them.

Follow through

- ☐ Assign an owner to each next step.
- ☐ Send a short written recap.
- ☐ Schedule a review before work begins.
